13th July, 2022 – e-MOPOLI Final High Level Political Dissemination Event

Province of Brescia Territorial Strategy

Action Plan general information

Promotion and transposition of alternative fuel mobility options into policy instruments and among stakeholders

Actions

INCENTIVES

Promotion of Regional initiatives to incentivise the innovation of SMEs research and experiments in the field of alternative mobility

GOVERNANCE AND PLANNING

Update of Provincial mobility strategy and Guidelines including alternative fuel options

Policy instrument

REGIONAL LEVEL:

- LOMBARDY REGIONAL OPERATIONAL PROGRAMME (ROP) EUROPEAN REGIONAL DEVELOPMENT FUND (ERDF) 2014-2020, PRIORITY AXIS 4

PROVINCIAL LEVEL:

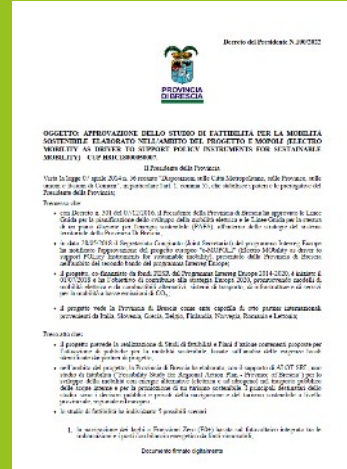

- Provincial Guidelines for e-mobility
- PTCP – Piano Territoriale di Coordinamento Provinciale (Provincial Territorial Plan)

Impacts on regional and local policies

Great Stakeholders Engagement:

- Strict cooperation with Regional Authority
- Network with regional and local stakeholders: Regional & Local Authorities, Research Centres and Universities, e-mobility and energy providers, SMEs Public Transport Company, Agencies for tourism and mobility.

Policy instruments

- Transposition of e-MOPOLI ACTION PLAN and FEASIBILITY STUDY in local policy instruments
- Recommendation for Regional policy instruments

Interreg
Alpine Space
e-SMART

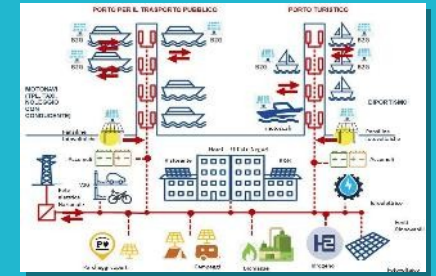

Interreg
North-West Europe
eHUBS

Capitalization

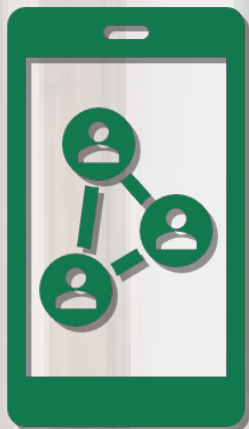

- Cross-cutting fertilization among all provincial initiatives
- Cooperation at EU levels with different project and initiatives

Feasibility study

- Concrete actions and projects for the promotion of sustainable tourism in terms of alternative fuels mobility scenarios

e-MOPOLI lessons learnt

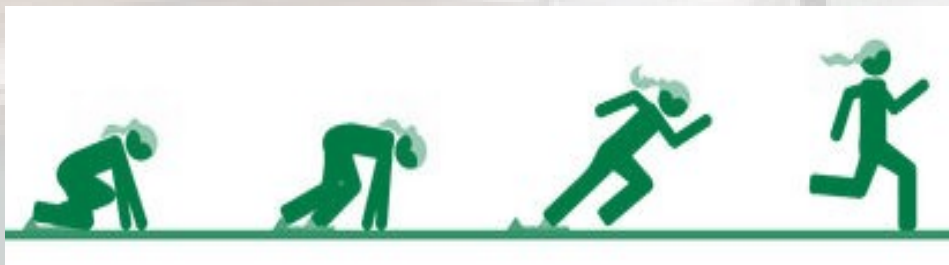

❑ NETWORKING AND SHARING AT ALL LEVEL

(from local and European to capitalize and implement projects and initiatives)

❑ COOPERATION BETWEEN PUBLIC AND PRIVATE IS THE KEY

❑ BE READY WITH CONSISTENT PROJECTS FOR FINANCING RESOURCES

Future scenario on alternative fuel mobility

❑ **SHARING MOBILITY MODELS AND SUSTAINABLE TOURISM**

❑ **HYDROGEN VALLEY IMPLEMENTATION**

❑ **NETWORKING & COOPERATION AMONG STAKEHOLDERS AT ALL LEVELS**
